

Connecticut State USBC Association 2019 Scholar of the Year Award

Alexander Orcutt

My name is Alexander Orcutt, I am 17 years old, and I am from Cheshire, CT. I will be attending the University of Denver in the Fall and plan to earn my Bachelor's and Master's degree within 5 years through their 4+1 plan. I will be majoring in International Studies and Political Science, as well as pursuing a minor in Spanish, French and Arabic. I will be a part of the Pioneer Leadership Program, which is a Learning and Living Community on campus.

My goal is to visit all 193 Un-recognized countries of the world, so I plan to study abroad once or twice during college. I have visited 13 countries, the latest being Spain, where I competed at the Duathlon World Championship.

I am a triathlete and plan to continue my training throughout college. Also, I am an Eagle Scout, and my next big adventure is to hike the Massachusetts section of the Appalachian Trail in June.
